What's New In Fabrics

Prehistoric World — Designed by Linda Ludovico this collection brings to life the Jurassic era. The oversized panel (43" x 54") is ideal for bedding or a large quilt. The border stripes and focal prints featuring dinosaurs, footprints and fossils are paired with a myriad of textures including teal, green rust, and beige. A sure delight for dinosaur fans everywhere!

I've Got A Notion by Shelley Davies for Northcott— Quilters and Sewist alike will love this collection. This collection is ideal for any project from quilts to bags. Vintage sewing notions are presented in cheerful colours along with focal prints of scissors, buttons, pins and measuring tapes. A great fabric collection to make that long awaited sewing machine cover.
